

For the first time ever, three top New Orleans chefs are nominated for the culinary industrys top award. When chef Louie Renneau is found murdered in his French Quarter restaurant, NOPD detectives Shakira Broussard and Luc Pham have to contend with a list of suspects that includes some of the most prominent people in the citys billion-dollar restaurant industry. The granddaughter of a legendary Creole chef, Shakira is thrust into a cut-throat world where culinary awards can mean millions of dollars in annual revenue, while tarnished reputations can cause ruin. Shakira soon learns the citys famed restaurant industry is chock full of intrigue, financial shenanigans, and ties to a criminal enterprise that will use murder to silence anyone who gets in its way. Shakira and Luc also have to contend with a notoriously corrupt police department the citys new mayor and police chief have vowed to clean up and make a model for the nation. One slip up could cause the high-profile case in the nations murder capital to be taken over by the feds, which would be another black eye for the department; one that would be laid directly at Shakiras feet, derailing her career. Weaving their way through a tangled web of lies, deceit, hidden money, gambling licenses, and corrupt enterprises, Shakira and Luc have to conduct their investigation while the eyes of the world are on the city during two of its biggest tourist draws -- French Quarter Fest and Jazz Fest. When Shakira gets too close to the truth, her family becomes a target of a deranged killer who will stop at nothing to prevent Shakira from finding the reasons behind Louie Renneaus gruesome murder. Set in the historic French Quarter and some of the citys most colorful and historic neighborhoods, A Dish To Die For is a roller-coaster ride into the kitchens of some of the worlds most famous restaurants. It also offers a glimpse into the mysterious Creole culture and the mores and customs that shaped Shakira and her family. A Dish To Die For is a non-stop story of murder and intrigue in a glamorous industry in Americas most unique city. It will keep you turning pages until its stunning conclusion.

Moments With God for Teens, Cycling Through the Gospels: Gospel Commentaries for Sunday Bulletins, Living in Two Cities: Augustinian Trajectories in Political Thought, Things That Float and Things That Dont, Bordeaux And Its Wines: Classified In Order Of Merit...
