

This book is meant to be a definitive guide to Female Led Relationships. If you are interested in starting an FLR this book will help. Though there is no objectionable language used in the writing of this book, it does deal explicitly with various aspects of sexuality including, but not limited to, BDSM. If you have ever thought about trying an FLR, or have tried and failed, you need this book. It will show both men and women how to approach your partner, how to create an agreement, how to take control, how to maintain control and how to avoid major pitfalls of any relationship, FLR or not, and even have some fun doing it. It will help you overcome fears and guilt of being in charge. Whether you are married, living together, or just dating, the information in this book can help you determine what type of relationship suits you best. Whether that happens to be male or female led, makes no difference. The principles are the same. You will find, chastity, rewards, punishment & discipline, CBT, milking, fantasies, Cross-dressing, humiliation, bi-sexuality, cuckolding, games you can play, and much more all in this one, concise guide. If you have ever been curious about exactly what an FLR is or what it can do for your relationship, you owe it to yourself, and your partner, to read this book. Ms. Green has outdone herself with this volume. Everything is written in easy to read, easy to understand terms. She even teaches you how to use your imagination, to be creative, and to think on your own. Her understanding of D/s relationships goes far beyond anything I have ever read before. She dispels the usual stereotypes and shows you why you don't have to try to live up to them. She teaches you to be yourself and still enjoy all the benefits of an FLR. Through the use of a few simple questionnaires, you will learn what kind of relationship you currently have, what you want, and what will work best for you and your partner. - Robert Athos
