

When temptation calls Sheriff Dallas Garwood has followed the straight and narrow all his life. The one exception? When he tangled with Rowena Wright. The experience had lasting consequences he'd rather not repeat. That may be easier said than done. Rowena is back, set on restoring her family's ranch to sell it. Is this Colorado town big enough for the two of them? Not the way his nine-year-old son keeps sneaking onto her land, forcing Dallas into her company. Every one of those encounters sparks an urge in him to tangle with her again. This time he'll call the shots and be the one to leave. But he doesn't expect all these powerful emotions and he's not sure he can walk away.
